PROFILE INFO

I am a creative, organised and confident videographer. Being experienced in various filmmaking roles and disciplines including music videos, documentaries, studio projects and on-location drama shoots has allowed me to grow my skill set and knowledge in filming, editing as well as managing and directing, as well as an interest and experience in theatre and live music.

CURRENT EDUCATION

BA (Hons) Television Production - Bournemouth University (BU)

2021 - (2025)

In my degree I specialise in Documentary, Studio Practice, Production Management and TV Advertising.

- Collaborated on short projects such as Ellie's Decade Dash (TV Show) and The Crooked Book (Documentary) and delivered them by the deadline.
- Did extensive research and analysis for pre-production on projects and papers.
- Have become proficient in using BU's industry-standard multi-camera studios and associated equipment and software (Movie Magic Scheduling & Budgeting)
- Arrangement to return to my old school to teach students new skills, advise on and take technical lead on stage productions dealing with sound, lighting and filming. Along with running workshops and putting into practice my current skills.

CURRENT EXPERIENCE

Production Manager

2021 - current

The Old Fire Station

- Managing and motivating a team of 2-3 technical support staff to set up a range of events including concerts and club nights.
- Working well under pressure, absorbing new information quickly as situations and ideas change and problem solving quickly and efficiently.
- Successfully worked with a range of talent and promoters such as YungBlud, KSI, Sigrid, Shy FX and Maisie Peters.
- Designing and operating elaborate lighting, visuals and sound.
- Mentoring other tech crew who are aiming to work up to become production managers through training and shadowing has taught me to skills in explaining concepts to others in a clear and concise way.

Technical Manager

2021 - current

Nerve Radio - Students' Union Bournemouth University (SUBU)

- Managing a large team of presenters and demonstrating clarity and explanation through leading technical training
- Maintaining and fixing hardware and software (Myriad) and developing the radio studios.
- Building interpersonal skills as I work with other HODs within SUBU

Experience continued on page 2...

CURRENT EXPERIENCE (CONT.)

Stage Manager

July 2022

SUBU Summer Ball (Music Festival)

- Managing a small crew along with talent on and off stage at one of the country's biggest students festival with over 5000 attendees
- Maintaining and reporting on tech and issues that arose in my tent
- Liaising with other area managers to communicate changing information

Technical Support Team

April 2022

National Student Drama Festival

- Collaborated with a multitude of Technical Staff from across the country, each with own skills and knowledge base, to design sound, lighting and rigging systems and run a number of shows and performances across the week
- Designed and operated lighting for a number of shows, working with directors to achieve the look they wanted
- Absorbed new information quickly as Safety and informational workshops were delivered

Student Ambassador & PAL Leader 2021 - current

Bournemouth University

Working on virtual and in-person open days for the university, forming outstanding working relationships with fellow students and academics alike.

My duties can range from:

- Conducting campus tours for prospective students and parents
- Participating in talks about my course and answering questions
- Marshalling on campus to make sure people do not get lost

Facilitating 1 hour weekly sessions with a seminar group (10-15 people) of 1st years known as PAL. I provide information, facilitate and discuss:

- Answering questions and explaining ideas and processes including referencing, essay writing and shooting techniques and helping settle into uni life

I also work on conducting workshops for secondary and primary school children about educational topics and university applications in the Bournemouth area and further afield.

Camp Counsellor

2017 - 2022

Smart Play

- Running sessions and supporting other staff in running theirs, inventive and creative when coming up with small games during break times and supervising during free time.
- Working with children between 4-12 and supporting them individually during an activity if they were struggling or required extra help.

HOBBIES & INTERESTS

- Climbing Society
- Musical Theatre
- Stranger Things
- Trampolining Team
- Skiing & Hiking
- Mountain Documentaries
- Music Videos
